5. Mishmash
6. Go Canada! 🌐 CA

1. Thank you's!

Staff Appreciation Lunch – Thank you to Byng families for your incredible food and fund donations! Please see the June 12 Principal's report for the writeup. [link](#)

ArtWorks Speaker Series – Thank you to Sara Gillingham and Ben Skinner for sharing your paths and insights into visual arts careers. Stay tuned for more speakers in 2026-2027.

2. Coming Up This Week

Thursday June 18, 9am: The weekly walking group will be carpooling to walk in Stanley Park. RSVP to Nora: noradyng@hotmail.com. Meet at the front steps at Byng.

Friday June 19, 9:15-11am: End of year coffee and welcome to new incoming 26/27 Byng families (front lawn).

3. Get involved with the PAC!

2026-2027 PAC: Interested in joining the Byng PAC? There is something for everyone! We'd love to have you. Email us!

Safety Committee – This committee was on hiatus in 2025/2026 but we are looking for interested parents to join and possibly liaise with our local elementary schools.

4. Join the 2026/2027 Grad Committee!

We are forming the Lord Byng 2027 Grad Committee and we want enthusiastic, creative, and collaborative parents to help plan the celebration for our grads. No experience is required — just a love for your student's big milestone, and a willingness to roll up your sleeves.

Here's what you can expect:

- 🌟 To help shape the events that your grad will love
- 👥 To work in collaboration with a great group of fellow Byng parents
- 📅 The opportunity to contribute in big or small ways — whatever fits your schedule

Committee involvement can include planning the Grad Dinner-Dance, organizing a Dry Grad, fundraising, décor, logistics, and more. There's a role for every skill set — whether you're a spreadsheet wizard, a creative visionary, or just someone who loves to get things done.

This is your chance to be involved in a special part of your child's graduation — and to share the experience with your grad in a way they will appreciate (even if they won't fully admit it until years later 😊).

📩 Interested? Reply to this email or reach out to us at lordbyngschoolpac@gmail.com to express your interest. We'll be in touch with details about our first meeting. Warm regards, Jacqueline Crummey

5. Mishmash

Byng PAC receives many emails weekly from different organizations. We've decided to share some of these messages here just for your info. Please note we have not vetted any of these organizations and sharing does not mean endorsement.

2026 DC Coding STEM Odyssey (0\$) July 19, grades 3 and up [link](#)
Little Kitchen Academy – cooking programs for kids and teens (\$\$\$) [link](#)
Foundry (Vancouver East) – is a Vancouver Coastal health initiative that supports health and wellness of youth and their families. The organization is looking for youth aged 12-24 for a **paid** focus group. See this [link](#) for more info/to sign up.
